COMMUNITY SPORTS FOUNDATION

21st September 2026

SCAN ME

Dear Parents/Carers,

Norwich City Community Sports Foundation are delighted to announce the **Run Evolution Academy Trust! Series – Run Schools 50/50 Fundraiser!**

This exciting initiative will see schools across the Trust come together to get active, challenge themselves and raise money to make a difference.

Each school will host its own **Run Schools 50/50 event**, with every child and member of staff taking part in a fun and inclusive running challenge. The event is about more than simply completing the distance – it is an opportunity for children and staff to **come together** to **achieve something great** for their school and Norwich City Community Sports Foundation.

Event Dates:

- **Costessey Primary School** – Thursday 1st October
- **Nelson Infant School** – Friday 2nd October
- **Wensum Junior School** – Friday 2nd October
- **Bignold Primary School** – Tuesday 6th October
- **Coldfair Green Primary School** – Tuesday 6th October
- **Angel Road Schools** – Thursday 8th October
- **Dell Primary School** – Tuesday 13th October
- **Elm Tree Primary School** – Tuesday 14th October
- **Poplars Primary School** – Wednesday 14th October
- **Eaton Primary School** – Thursday 15th October
- **Filby Primary School** – Thursday 15th October

Run, Fundraise, Make a Difference

Alongside taking part in their run, your child and staff will be encouraged to raise money through our online sponsorship platform. No cash will be collected, this is an online donation event, please do contact finance@evolutionacademytrust.org.uk if you need support accessing the online donation platform.

COMMUNITY SPORTS FOUNDATION

Every donation, big or small, will contribute to something great. Whether your child raises £5, £10 or even more, every donation will add to the collective total and help make a real difference. By working together as a school community, small contributions can become something truly meaningful.

The funds raised will be split between **each school's chosen cause** and **Norwich City Community Sports Foundation**, helping to support projects and opportunities within each school, while also enabling the Foundation to continue using the power of sport to make a positive difference across our local communities.

How to Make a Donation

All fundraising will take place through our online **GiveWheel sponsorship platform**.

You can access the fundraising page using the link below or by **scanning the QR code provided above.**

https://www.givewheel.com/fundraising/17732/run-evolution-series/

Please make sure you select your child's school page before making your donation. This is important as it ensures that your donation goes to your child's school and contributes towards their class and school fundraising total.

Simply:

1. Access the GiveWheel page using the link or QR code.
2. Find and select **your child's school page**.
3. Make your donation and encourage friends and family to get involved too!
4. Share the fundraising page with your wider network to help your school reach its fundraising goal.

To celebrate the collective effort, the **class with the highest overall fundraising total at each school** will be rewarded with a special **collapsed curriculum day**, delivered by Norwich City Community Sports Foundation.

The day will be packed with fun and engaging activities, bringing learning, sport and the Norwich City Community Sports Foundation experience together. It will be a fantastic opportunity for the winning class to celebrate their fundraising achievement.

We can't wait to see schools across Evolution Academy Trust come together and show what can be achieved!

Kind Regards

Emma Fletcher-Dungay
Head of Fundraising
